

**Team Black and Team White
Good friends in the All Star game!**

Not to embarrass anyone or show one side up, our MWJHL team All Stars played to a 1-1 draw on Tuesday, January 18 at the Iceplex before a very big and enthusiastic crowd.

On the other hand the MWJHL is touting tremendous goaltending with all teams and scores, even in the league, are relatively low. So maybe it is the great goaltending this year?

Special guests were the Dakota Lazars Pee Wee A2 team (our future players) who shared dressing rooms and participated in a 10 minute game of their own before the Team White and Team Black teams hit the ice.

Polar Windows was our feature sponsor and we thank them for their tremendous support over the years.
Remember Polar Windows for both windows and doors.

Team White - 1 - goal by Sam Frost and assisted by Becky Funk and Danica Knockaert

Team Black - 1 - goal by Lorissa Klopak and assisted by Nicole Leslie.

A great show of talent and class. Just like our teams ! Well done.
