

Window Production Workers

SEE. HEAR. FEEL THE DIFFERENCE. HOW WINDOWS SHOULD FEEL.

Polar Ray-O-Max Windows & Doors has a long history with a tradition of adding comfort – and value – to our customers' homes. From our engineers to our installers, we're a dedicated team. We service Manitoba, Western Ontario, Regina, Saskatoon, Calgary and Edmonton. Polar Ray-O-Max Windows, a leading supplier of windows and door systems for the renovation market, is recruiting for window production workers to join our Winnipeg team.

In this role you will be responsible for achieving production and shipping goals. You will work as part of a larger team to help ensure the success of your department. As you learn you will be trained to work at multiple workstations. You will be responsible for contributing to a safe work environment and ensuring equipment is operated safely. **Previous experience in PVC Window and Sealed Unit Manufacturing is an asset.**

If you are an energetic, motivated individual who is looking to work with great people, please send your resume along with salary expectation to:

dwinnicky@polarwindow.ca

Fax: 204 667 7487

Attention Human Resources

Please mention the position title and reference number PW3252

We thank all applicants for their interest, however only potentially qualified applicants will be contacted. For more information about Polar Ray-O-Max Windows please visit our website <http://www.polarrayomaxwindows.com>
